Good suggestions, Virginia. I only got rid of a couple. Please send this to Scott Jackson, Tim Russ and Karen in a new email string and offer them as suggested edits/comments.

Thanks,

Hi Virginia – This letter is short and sweet, but I suggest one addition, in the attached. Let me know what you think and then we can send it back to Karen and Scott and Tim with our “suggested edits.” We should do this as soon as possible.

Thanks,

Megan

Have you all been looped into review of this comment letter to BLM on their FRN proposal on the presumed to conform list? If not, you may want to reach out to Tim Russ or Monica Morales. I'm speaking with Sara today at 1, so don't have the full story yet. I have not reviewed it yet, but think the window is around now.
